Dear Harold,

Your letter of June 17 was sent with 7 pages of Commission Documents:
CD 20, p. 4 and CD 75, p. 211 (@) (Pecoraro); CD 75, p. 486-7 (Brouillette);
CD 75, p. 488-9 (Cross); and CD 75, p. 588 (@) (Gaudet). Since you got the
two pages marked (@) from us, and since notes (apparently originals) to "Lou"
were attached to the last 3 items, it seems likely that this material was sent
to me by mistake. If so, tell me who "Lou" is and I will forward it.

Jim has the index to CD 1347; I have 897 on order. We could easily make you
copies. When we order an index, we usually ask for a list of the withheld pages,
which is provided; you might ask about obtaining the FBI letter (or whatever)
which lists the withheld pages for all the CD's. It might be useful.

Sincerely,
Paul
